

IMSTA Med Tech Awards 2015

BEAI Medical Technology Education and Training Award

NOMINATION FORM

This year's IMSTA Med Tech Awards are being held on
THURSDAY 1st October 2015 in CROKE PARK CONFERENCE CENTRE, Dublin 3

The Medical Technology Education and Training Award is part of the IMSTA Med Tech Awards and aims to recognise the contribution and value of effective, high quality education and training provided to hospital-based Clinical Engineers.

This is an opportunity to showcase education and training programmes and initiatives undertaken by your company to support Clinical Engineers, and which contribute to improved patient care, medical technology management, or business processes.

This is an opportunity to highlight the excellence of your company. The annual awards event is a platform for the supply industry to showcase the state-of-the-art medical technologies we bring to the market and demonstrate the valuable contribution our industry is making to healthcare in Ireland.

The award categories are shown overleaf, and below is a summary of the rules and some notes for your information. If you require clarification on aspect of these Awards, please contact Doreen O'Reilly of 01 4847828 or admin@imsta.ie.

Rules

1. **Awards are open to all members of IMSTA & BEAI.**
2. Each entry must be in the name of an individual /team / company. In the case of a team, one individual must be identified to represent the team.
3. All entries will be treated as confidential. Any requests for media access will be passed on to the nominees, who must decide on any appropriate access.
4. Separate forms must be completed for each category of award.
5. Where necessary, give as much information as possible with emphasis on patient outcomes.
6. Returned forms to IMSTA, Kandoy House, 2 Fairview Strand, Dublin 3, before **14th Sept. 2015.**
7. The Judge Panel's decision is final.

Notes and Information

- (i) You will **ONLY** be judged on the information submitted to us, including the quality of your nomination. Further information will only be sought if necessary.
- (ii) Nominees should provide evidence of outcomes to support their nomination (if applicable).
- (iii) A shortlist of 3 will apply to each category and members should have a representative available at the Awards Dinner to collect their Award.
- (iv) The **judging panel** will consist of independent experts nominated by IMSTA.
