

Masters and undergraduate students are invited to submit an abstract on their research in biomedical or clinical engineering for consideration for oral or poster presentation at the:

## **20<sup>th</sup> Annual Scientific Conference of the BEAI**

The theme of the conference is:

*“The Future Clinical Engineer”*

**on 2<sup>nd</sup> October, 2015 at the Stillorgan Park Hotel, Dublin**

Abstracts should be between 200 and 300 words and should be submitted to Meabh Smith (meabhsmith@beaumont.ie) by 11<sup>th</sup> September. Please put **BEAI Student Session** in the subject line, and send us the title of your course of study, year of study and your contact details.

The BEAI medal for best student presentation and prize of €200 will be awarded and abstracts for presentations from all the speakers will be published in the BEAI Spectrum. Attendance at the Annual Scientific Meeting will be complementary for all student speakers. This is an excellent opportunity to meet with clinical engineers and to learn about new medical devices and processes.
