Submission deadline

Abstracts should be submitted at the latest on August 4th, 2023.

Language

Abstracts must be written and presented in English.

Title

Use a concise descriptive title that indicates the content of the abstract. Commercial trade names for drugs, devices, products and services may **NOT** be used in the title.

Authors

Names and surnames for each author must be provided. Do not include degrees or titles.

Formatting

Abstracts should not exceed 250 words. Abstracts that are not written in understandable English will be rejected and/or returned to the author(s) for revision. The body of the abstract text must be formatted with the following sub-headings as appropriate. Each sub-heading should begin on a new line, and followed by a colon and space (:). The text for each sub-section should begin immediately after the colon and space.

Drugs, devices, products, and services should be identified by generic name only within the abstract.

Layout structure

The format of the abstract should be: Background, Objective, Methods, Results and Conclusions. Please see the example below:
